REPORT AND RECOMMENDATION

Pursuant to 28 U.S.C. § 636(b), I conducted a plea hearing in this case on July 7, 2010. At the hearing, defendant moved to withdraw his not guilty plea to Count Two of the three-count indictment and entered a plea of guilty to Count Two in exchange for the undertakings made by the government in the written plea agreement. On the basis of the record made at the hearing, I find the defendant is fully capable and competent to enter an informed plea; the plea is made knowingly and with full understanding of each of the rights waived by defendant; the plea is made voluntarily and free from any force, threats, or promises, apart from the promises in the plea agreement; the defendant understands the nature of the charge and penalties provided by law; and the plea has a sufficient basis in fact.

Therefore, I **RECOMMEND** defendant's motion to withdraw his not guilty plea to Count Two be granted, his plea of guilty to Count Two be accepted, the Court adjudicate defendant guilty of the charge in Count Two and a decision on whether to accept the plea agreement be deferred until sentencing. Defendant has been released on bond under appropriate conditions of release pending sentencing in this matter without objection. Acceptance of the plea, adjudication of guilt,

acceptance of the plea agreement, and imposition of sentence are specifically reserved for the district judge.
